

Paul Heinauer, President of Glasspro (3<sup>rd</sup> from left) and several Glasspro employees recently presented a donation check for \$10,000 to Danya Jordon, VP of Development for the Servant Leadership Team of Water Missions International (third from right) following the Water Missions International Walk for Water held earlier this year in Charleston. The Glasspro donation went to relief aid for the earthquake victims in Haiti.

Water Missions International is a Charleston, SC-based non-profit that serves water and sanitation needs of people in developing countries and disaster areas.
