GLASSPRO LENDS HELPING HAND TO WATER MISSIONS INTERNATIONAL

Charleston, SC --- 2010 --- Glasspro has recently donated auto glass materials to Water Missions International to help them repair a broken windshield on one of the organization's pick-up trucks operating in area of Port-au-Prince, Haiti. Water Missions International is a Charleston, SC-based non-profit that serves water and sanitation needs of people in developing countries and disaster areas. Glasspro is also helping to coordinate the repair work.

According to Glasspro President Paul Heinauer, "Water Missions International is a wonderful organization dedicated to helping to provide basic water and sanitation needs in disaster areas such as Haiti following the devastating earthquake there."

Glasspro operates nine retail auto glass repair and replacement facilities in the Lowcountry, including Mt. Pleasant, Walterboro, North Charleston, Summerville, Goose Creek, Georgetown, Myrtle Beach, Bluffton and Florence.
